Design It Studio
4102 Ponce De Leon Blvd
Coral Gables, 33146
(305) 853-8555

Dear University of Miami Students:

Design It Studio is an interior design firm that also manufactures custom high-end architectural millwork. We are currently looking for a drafter that wants to be part of our team. It is important for us to fluently speak English and Spanish. The position will require CAD knowledge for designing and drafting to: work from rough sketches and specifications created by architects, help designing and developing shop drawings, specify dimensions and materials of products, work under the supervision of architects.

Working from Monday to Saturday and open to flexible schedules, the position is to start as soon as possible. Salary will be specified depending on availability of the person that is applying.

In case you are interested in the position, and/or if you have any questions about it please send your CV to: maribel@designit.studio

Sincerely,

[Signature]

Maribel Muniz
Owner and Designer.
