

2020 Architecture Career Fair

**Thursday, February 20th
University of Miami
Watsco Fieldhouse
1245 Dauer Drive,
Coral Gables, FL 33146**

The annual Architecture Career Fair gives employers the opportunity to recruit our talented students, upcoming graduates and alumni for internships and full-time positions in a more intimate setting than the larger Career Expo. The curriculum and faculty prepare students to address the complex needs of an increasingly diverse profession.

Who should attend?

Employers from across the profession of architecture, urban planning, real estate development and construction. Additionally, the fair is open to any organization with a desire to hire critically minded and creative students from across our UI|SoA degree programs:

- Bachelor of Architecture
- Bachelor of Architecture + MBA
- Bachelor of Science in Architectural Engineering + Master of Architecture
- Master of Architecture I and II
- Master of Urban Design
- Master of Real Estate Development + Urbanism
- Master of Construction Management
- Executive Master of Construction Management
- Master of Professional Science in Urban Sustainability & Resiliency (coming Fall 2020)
