

PAID FOCUS GROUP FOR WEB-BASED ARCHITECTURAL DESIGN STARTUP

HOUSE REDO is looking for students interested in attending a paid focus group session located at the UM School of Architecture.

We are looking for 4-6 students available for one hour to give us feedback on our website and app. The only requirement is to have moderate CAD capabilities. We will provide snacks!

House Redo is co-founded by a UM School of Architecture Alum.

Email us at info@houseredo.com with available times and we will coordinate the session accordingly.

We look forward to hearing from you!
