Graduate Architect
WZA Architects -
Job Summary

WZA Architects, a Fort Lauderdale Florida based multidisciplinary design firm, is seeking a talented Graduate Architect. The candidate will be responsible for architectural design and preparation of construction documents for buildings of various occupancies and specialty structures. The candidate must possess the technical ability to independently work through a project from schematic design through the construction phase with minimal guidance.

Responsibilities and Duties

- Responsibilities include assisting a production team which involves creating a Conceptual Design Package, revising the design as per client feedback and formulate a complete set of Construction Documents.
- Management concepts and workflows and extensive knowledge of Structural and MEP Systems.
- Extensive knowledge of building process and permit process and train and oversee associates and conduct performance reviews.
- Required experience in Commercial and Institutional Projects.
- Manage deadlines and budget while managing excellence in design.
- Coordinate with team members, contractor, clients, fellow team members and building officials.
- Perform construction administration function including the review of shop drawings and interpretation of construction documents.
- The candidate must have the ability to work well under pressure, prioritize multiple projects and adjust work accordingly, often against tight deadlines.

Qualifications and Skills

- Bachelor of Architecture Degree or enrolled Master of Architecture Degree.
- Minimum (1-3) years experience as practicing Architect.
- Working Knowledge of standard construction practices and The Florida Building Code, NFPA, ADA, etc.
- Strong verbal and written communication skills.
- Ability to work as a team member interacting with architects, owners, contractors, and coworkers.
- Working knowledge of AutoCAD required.
- Working knowledge of Revit, etc. a plus.
- Florida Architecture Registration (RA) license

Benefits

- Medical Insurance Allowance
- 401k Retirement Plan
- Paid Vacation
- Paid Sick Leave
- Paid Holidays
- Continuing Education Reimbursement
- Excellent Working Conditions
- Business Hours: Monday – Friday 8:00 AM to 6:00 PM
- Competitive salary commensurate with experience.

If you are a team member who thrives in a collaborative, self-driven, and stimulating technical environment, we would like to hear from you!
